RE: Letter of Concern
License No. ~~2964~~ 1227

Dear Dr. Latus:

At its meeting on October 26, 2002, the Board of Osteopathic Examiners in Medicine and Surgery reviewed the above-referenced complaint in which you are named.

Based on the information available, the Board duly voted to issue you a **LETTER OF CONCERN** regarding the allegation that you violated A.R.S. § 32-1854 (15) and (18) by failing to disclose on your AZ license renewal application that the State of Florida had placed your license there on probation.

Please note that this is an advisory letter notifying you that, while there is insufficient evidence to support direction action against your license, the Board does believe your conduct in this matter is of some concern and wishes to bring this to your attention. A Letter of Concern is a public document and may be cited in future disciplinary actions against you.

Sincerely,

Elaine LeTarte
Acting Executive Director
